Soldiers from the Command Support Brigade (CSB) of the Multinational Corps Northeast (MNC NE) are taking part in exercise "Concert Grand II", which started on 22nd of August.

200 soldiers and over 100 vehicles are engaged in the multinational exercise, which takes place in Poland and Germany. Main aim of CSB personnel is the construction of Command Posts for Headquarters MNC NE for an exercise „Little Eagle II" (LE II), which will be conducted from 5th to 16th September.

Soldiers from CSB are preparing more than 300 working places for the Corps' personnel. They will provide Command Posts with protection and preservation measures as well as with the necessary communication infrastructure. Moreover, as a real logistic support accommodation, messing and transportation necessary for proper execution of LE II will be also provided.
