

Here you can access information relating to vacant civilian positions at the Headquarters Multinational Corps Northeast (HQ MNC NE) in Szczecin/Poland.

The need to provide continuity and specialist skills not found in the military organisations underpin the requirement for civilian staff as an integral part of HQ MNC NE's peacetime establishment structure.

The Personnel Branch provides all aspects of civilian personnel management - including recruitment, employment contracts, contract termination, administration and entitlements - of all civilian personnel at HQ MNC NE. Civilian Personnel are employed under the Polish law legislation. Personnel for vacant civilian posts are normally recruited in the local area of HQ MNC NE.

NOTE: HQ MNC NE regrets that we are not able to consider open applications. Applications from candidates who do not meet the required qualifications will not be taken into consideration. Only applications for specific positions as listed can be considered.

We currently do not have any available vacancies.□
