From 23 to 24 May 2012, the delegation from Headquarters Multinational Corps Northeast (HQ MNC NE) headed by the Deputy Commander Major General Bogusław Samol took part in the Anaconda 12 exercise coordination meeting with the 2nd Polish Mechanized Corps in Kraków.

The MNC NE delegation headed by General Samol consisting of Subject Matter Experts from most engaged in the exercise HQ MNC NE Staff Divisions went to Kraków to reach common understanding and coordinate all the efforts with specialists from the 2nd Polish Mechanized Corps led by their Commander, Major General Jerzy Biziewski.

Busy two days fulfilled topics which the two Corps' representatives had to coordinate before another step of the preparations for the exercise. This will take place in just a few days in Warsaw and will refer to the Joint Operational Command manned during Anaconda 12 exercise by the Polish Operational Command.

Anaconda 12, scheduled for September 2012, is one of the major Polish exercises which

focuses on Article 5 operations. For the first time in the history of Anaconda exercise series, the Corps level Headquarters from the NATO Force Structure - HQ MNC NE - will participate in the exercise as the Training Audience.
