

The Baltic Amber is the authorised official magazine of the Headquarters Multinational Corps Northeast. Its aim is to inform and educate members of the Headquarters and assigned formations, our visitors and all interested in the Corps' functioning.

The Baltic Amber is an additional source of information concerning the Corps and a supplement to news that you can find on our website. In our magazine there are always interesting interviews, reports and articles reflecting current events or challenges. Furthermore, each issue of the Baltic Amber is constructed around major topics.
