On 22 June 2012, the Command Support Brigade of Multinational Corps Northeast (CSB MNC NE) celebrated its 5th anniversary. The ceremony coincided with the celebration days of 100th Signal Battalion and 104th Support Battalion, units subordinated to Command Support Brigade.

The celebrations in Wałcz were conducted in the presence of a number of honourable guests, including acting Deputy Commander – Chief of Staff of the Polish Land Forces Brigadier General Marek Mecherzyński, MNC NE Chief of Staff Brigadier General Morten Danielsson, representatives of the Parliament, uniformed services, clergy, civilian authorities and many others.

The ceremony turned out to be an excellent opportunity to summarize the CSB achievements of the past five years, presented by Colonel Wojciech Kucharski, the CSB Commander, and to award medals and commemorative decorations to the soldiers. A part of the event was also a small recital given by the Military Band of Garrison Szczecin.
