On 31 August 2012, Multinational Corps Northeast (MNC NE) joined in the celebrations of the first birthday of Szczecin Incubator of Culture, an institution supporting young organisations operating in the area of culture and art.

The celebration was held at the backyard of the building where Szczecin Incubator of Culture is seated. The birthday celebration was combined with a monthly cycling event organised by Bicycle Szczecin Association. A piece of a birthday cake was waiting for all cyclists and other guests of the celebrations. Moreover, a bonfire was built and everybody could prepare tasty sausages by themselves. An extraordinary character of the event was enriched by a recital of Baltic Neopolis Orchestra.

Representatives of the member states of Multinational Corps Northeast joined in the celebrations as well. The MNC NE Promotion tent drew attention of the participants of the event, mostly because of the presence of multinational staff wearing uniforms of the different states. MNC NE members talked about their military experiences and life, and shared small MNC NE gadgets with all the interested.
