On Saturday 26th of November, between 14.00 and 18.00 the Ladies from the Headquarters Multinational Corps Northeast (HQ MNC NE) in cooperation with the personnel of Radisson Hotel are going to organize the Second Charity Christmas Bazaar. The event will be open to the public and will take place in the lobby of the hotel.

The wives of Czech, Danish, German, Estonian, Lithuanian, Latvian, Polish and Slovakian soldiers will prepare traditional handmade Christmas cookies, gifts and floristic and Christmas tree decorations for a charity sale. The event will be a great opportunity to taste some traditional food from various countries as well as to learn more about the different customs and traditions.

The Christmas Bazaar's guiding principle will be to collect money for the charity purpose. This year the participants would like to sponsor the operation of implementing the insulin pump for 7-years-old girl - Magdalena Gałązka, the daughter of Maj. Marcin Gałązka serving in the MNC NE. The total cost of the operation is approx. 14 000 PLN.
