### **Major General Martin Holzfuss (ret.) and a group of German retired academic civilians visited the Headquarters Multinational Corps Northeast on July 28th, 2005.**

LtCol Uwe Semprich briefed the visiting group on mission and organisation of HQ MNC NE. Furthermore , the presentation introduced essential information about the history, general organisation of MNC NE with emphasis on multinationalism and the internal integration among the soldiers from different nations and was followed by the questions and answers period. Finally the whole group pictured in the Baltic Barracks surroundings.
