Representatives of the Corps Committee (CC) met in HQ MNC NE in Szczecin on 12th and 13th June for twenty-fourth working session.

The purpose of the quarterly meeting was to provide the members with the results of Manning Coordination Conference in Shape that was held in the end of May 2006.

The two-day meeting was fully devoted to all major issues related to HQ MNC NE preparation for the next year deployment to Afghanistan. The members of Corps Committee also discussed the issues how the upcoming Corps' deployment would influence the further development of the HQ and the daily work of the home base at Baltic Barracks.

The main objective for CC is to coordinate work between the Nations and to give advice on legal, financial and other issues concerning the MNC NE. Furthermore, it is also a superior authority to the Commander of the Corps in all areas.
