

The Special Care Educational Centre No. 1 for Physically Handicapped Children is a rehabilitation and educational centre for both fully fit and handicapped children and teenagers implementing the idea of integration.

On 21st April 2007 Cmdr Artur Bilski, as a representative of Headquarters Multinational Corps Northeast, took part in a contest called 'The European tours' at the Special Care Educational Centre No. 1 for Physically Handicapped Children in Police. As a juror he assessed the knowledge of children concerning NATO and the European Union and admired presentations made by children as well as a ballet performance.

The Special Care Educational Centre No. 1 for Physically Handicapped Children is a rehabilitation and educational centre for both fully fit and handicapped children and teenagers implementing the idea of integration. The contest was a great chance for the children to learn more about NATO and our Corps, additionally promoting our eager involvement in the local environment and matters of local community.

At the Special Care Educational Centre
