In order to repeat a success of the first Family Brunch, which took place in February, Family Care Centre arranged the second Family Brunch establishing this unique tradition at our Corps. The families and members of Permanent Headquarters met at the AOC Club where they could talk and have a nice time enjoying fine lunch and snacks. It was an opportunity for the children to have some fun and play in a children's room with the accompany of a nanny. No wonder that the children involved in games and virtual world of the Internet allowed the parents to have a rest and exchange experiences related to everyday problems and successes.
