

There was the atmosphere of joy when Romania signed the Note of Accession on 4th March 2008 making a huge step in becoming the tenth member nation of the Corps.

Headquarters Multinational Corps Northeast takes pride in being a truly multinational formation. Until now there have been nine nations contributing to the Corps family, however, the policy of openness resulted in the fact that Romania started their way on joining our Corps.

On 4th March 2008 the Note of Accession were officially signed by the Romanian National Military Representative to the Allied Command Operations at SHAPE Brigadier General Valeriu Nicut as well as Danish, German and Polish members of the Corps Committee. Romania will become the tenth member of the Corps as soon as the document is signed by SHAPE.

Brigadier General Valeriu Nicut expressed his appreciation for joining the Corps and reassured that Romanian soldiers would do their best for the Corps further development. Commander Headquarters Multinational Corps Northeast Lieutenant General Zdzisław Goral stated that our multinational Corps family would be waiting for our new colleagues and welcome them warmly when they arrive.
