## CORPS OF THE NEW MILLENNIUM

1999 ★★ ★ 2009  
10 YEARS OF SUCCESS

---

**It is only a month left to the Multinational Corps Northeast (MNC NE) 10th Anniversary Celebrations.**

Multinational Corps Northeast was inaugurated on 18th September 1999 by three countries: Denmark, Germany and Poland. With the passing of time next countries joined in and finally in 2009 there are already 11 member states: the Czech Republic, Denmark, Estonia, Germany, Latvia, Lithuania, Poland, Romania, Slovakia, Slovenia and the United States.

10 years of the Corps' existence is undoubtedly 10 years of success – growing multinational character of the Corps and contribution to the mission in Afghanistan are the best examples. The Corps has become an integral part of Szczecin, that is why the 10th Anniversary Celebrations are prepared by MNC NE together with the City Authorities. Main attractions are planned for 19 and 20 September 2009 at Wały Chrobrego.

Soon, a special subpage to [www.mncne.pl](http://www.mncne.pl) will be launched, the whole just devoted to the 10th Anniversary Celebrations.
