On 20 December 2010, the Commander of the Multinational Corps Northeast Lieutenant General Rainer Korff awarded three children of Szczecin International School who won the competition for most beautiful Christmas card.

The award ceremony took place at the Polish Theatre in Szczecin. After the first part of artistic performance given by pupils, The Corps' Commander awarded three children of SIS with special Christmas vouchers for most beautiful Christmas cards. In fact, these cards decorated official Corps' Christmas cards sent out to higher commands, sister corps and other partner organisations in NATO, authorities of the Framework Nations as well as friends and supporters of the Corps.
