**On the occasion of the Epiphany, the Commander of the Multinational Corps Northeast (MNC NE) Lieutenant General Rainer Korff took part in the multinational Holy Mass celebrated at Szczecin's Cathedral on 6 January 2011.**

The Holy Mass conducted by the Archbishop Andrzej Dzięga was truly multinational in its character. Apart from German Lieutenant General Rainer Korff, also honorary consuls, representatives of national minorities and inhabitants of Szczecin participated in the event. Therefore, the liturgy was celebrated in several languages, including the German part presented by General Korff himself.
