---

**The Commander of the Multinational Corps Northeast (MNC NE) Lieutenant General Rainer Korff was among the invited guests taking part in the an annual celebration of the 12th Mechanized Division held on 25 June 2011 at Pleciuga Theatre in Szczecin.**

The MNC NE Commander's presence during the celebration was a visible sign of cooperation and mutual support among the uniformed services of Szczecin. During the ceremony, General Korff handed over a congratulatory letter to the Commander of the 12th Mechanized Division Major General Marek Tomaszycski. General Korff also attended lunch for honourable guests of the celebration.

The 12th Mechanized Division was created in 1945 as the 12th Infantry Division. In 1958, it was transformed into the Mechanized Division. The 12th Mechanized Division is the most northwestern tactical group of the Polish Armed Forces. It has become an integral part of the society of West Pomeranian region promoting ideas of patriotic and national awareness.
