**Changes within NATO and future of the Multinational Corps Northeast (MNC NE) were the main topics discussed during a quarterly seminar held from 30 June to 1 July 2011.**

The MNC NE Commander Lieutenant General Rainer Korff, the MNC NE Chief of Staff Brigadier General Morten Danielsson as well as Chiefs of Headquarters' Staff Divisions and Air Operations Cooperation Centre, Director of Staff Operations and other assisting HQ staff members met for common discussions on the tasks and challenges Multinational Corps Northeast shall face in years 2011 – 2014.

Working individually and in syndicate groups, the seminar participants planned upcoming events and worked out solutions for possible challenges the Corps might face in the future.
