**On 8 November 2011, a delegation from Baltic Defence College paid a visit to Headquarters Multinational Corps Northeast (HQ MNC NE) in order to continue the coordination of the co-operation in the coming years.**

A delegation from Baltic Defence College (BALTDEFCOL) located in Tartu, Estonia headed by Lieutenant Colonel Finn Jensen participated in a Working Level Meeting with representatives from HQ MNC NE. The delegation also included two Latvian officers from the Directing Staff. This meeting was a continuation to the first Working Level Meeting conducted on 07 October 2011. The purpose of the meeting was to identify and plan for possible cooperation with BALTDEFCOL. The discussion was fruitful and several areas of cooperation were identified with possible way-ahead. The most important outcome of the meeting was the fact, that the upcoming co-operation will be of mutual benefit, because HQ MNC NE will support with capacities in BALTDEFCOL exercises and seminars and BALTDEFCOL has offered instructors to ease HQ MNC NE implementation of the latest NATO approved Operation Planning Procedure.
