On 11 August 2012, Major General Bogusław Samol, the Deputy Commander of the Multinational Corps Northeast (MNC NE) took part in the preview of an exhibition presenting a collection of Polish battledress uniforms from the past century, held at Szczecin's Museum of Technology and Transport.

The exhibition focuses on the transformation of a Polish battledress uniform. The collection includes berets, helmets and other equipment. A part of the exhibition was also a static display of a Polish wheeled armoured vehicle "Rosomak".

The exhibits come from private collectors, service members, private companies and other museums.

An extraordinary character of the exhibition has been created by the scenery of the Museum of Technology and Transport. The uniforms placed next to historical vehicles make the whole
