---

**This year's second Bi-FC Corps Commanders' Conference was held at NATO Rapid Reaction Corps – Italy in Milan from 23 to 25 October 2012 in Milan, Italy in which also the Commander of the Multinational Corps Northeast Lieutenant General Rainer Korff took an active part.**

Commanders of NATO Force Structure Corps and representatives of NATO Command Structure, including Force Commands in Madrid and Heidelberg and the new Land Command in Izmir, met in Milan to discuss the ongoing transformation in NATO and the implications it would have on both NATO Command and NATO Force Structure. In detail, the issue of consolidated NATO Land Command and Control concept was raised as well as the new Land Command build-up and transition process. Other topics referred to among other things Joint Task Force Headquarters concept presented from a Graduated Readiness Forces perspective, air contribution to land operations and NATO Education Training and Evaluation Concept.
